Dear Mr White,

I have asked Rev. Mr. Barnes to send you check of money belonging to Mrs Mc Candless, and which she wishes applied in accordance with specifications given Mr. Barnes. I had to see McKeith on several matters, and asked his legal advice as to the form we ought to

secure ourselves by, if taking this temporary trust. He said he would communicate with you, which I presume he has done. Should any further arrangements be needed with Mrs McCandless, Mr. Barnes would be the best medium of communication, as she is feeble-minded, and he understands the case and has her confidence.

I have preferred the responsibility for the matter should rest with the Corporation.

Yours
C. Ellis Stevens
